## Unique Opportunity for Construction in the Golden Triangle

Large plot of land in a great location within the Algarve's Golden Triangle. This piece of land gives developers a unique opportunity to build a villa of their choice in Varandas do Lago, a well-appointed condominium recently taken over by the prestigious luxury resort of Quinta do Lago. This plot of 890 square meters offers a 40% building capacity in a very unique, quiet and residential area. Truly a rare opportunity. - REF: P43
